

Privacy Statement

This information is collected to allow us to effectively process your enrolment. It will be utilised for the purposes of your training, assessment, and issuance of your qualification, where relevant, by DevelopMental Pty Ltd staff and contractors. It will also be accessible as per government requirements for audit and as per any other legally binding requests. You may access your file through written request as is detailed in the student handbook.

See the 'Declaration' on this website for more information related to Privacy of your records.
